For Your Information:

- Thank you to those that are being more mindful of not coming into the parking lot while buses are parked and walking up the outside edges of the driveway, avoiding walking between buses. Your attention to this matter and support is keeping our students safe.
- **School Picture day is scheduled for Thursday, October 1 (Picture retake day is scheduled for Thursday, November 5).**
- I have yet to receive updates related to the playground opening. I PROMISE, as soon as I know something, I will share it with you!
- **You may remember that our PTO was passing out treats and having students fill out ballots for a chance to win a financial contribution to their classroom. Congratulations to Rowan in Ms. MacArthur's class for being the winner of the draw!**
